

You spoke, and we listened.

COMMUNITY VISION, COUNCIL
& HEALTH PLANS 2021-25

Here's what you said in
phase three engagement.

PURPOSE:

To get feedback on the Draft Community Vision, Council Plan and Health Plan 2021 - 2025, which outlines how we will work towards our vision of 'A healthy city' over the next four years.

HOW WE ENGAGED YOU: 180 people participated!

- 911 visits to the Your Say Moonee Valley webpage
- 111 people provided written feedback
- 5 people spoke to their feedback at a public forum
- 88 people submitted an online feedback form
- 120 people participated in the online quick poll
- 16 email submissions
- 14 people attended two online information sessions
- 22 people viewed an information session video
- 800+ emails sent to service users, networks and community groups
- Posts on Council's Instagram, Twitter and LinkedIn

WHAT YOU LIKED:

- Mental health and social inclusion
- Disability access
- Aged care
- Community hubs
- Early childhood
- Prevention of violence
- Evidence of community consultation and seeing it reflected in the plan
- The wide array of things Council seeks to improve
- The use of Wurundjeri Woi-wurrung language throughout the document

"I am pleased that MVCC has continued to focus upon health and wellbeing in its Plan. I believe it is critical to include the health and wellbeing needs of the community as a significant feature and theme in the Council's strategic plan and direction on an ongoing basis."
- East Keilor resident.

"The overall vision and intent covers what is important to me and my family, and what I believe is important to the community."
- Essendon resident.

SUGGESTED IMPROVEMENTS WERE ABOUT:

- Youth and target populations
- Social inclusion and mental health programs
- Early years and kindergarten infrastructure

You spoke, and we listened.

COMMUNITY VISION, COUNCIL & HEALTH PLANS 2021-25

Here's what you said in phase three engagement.

WHAT YOU LIKED:

- **Strategic Indicators to measure and monitor our progress towards outcomes**

- **Focus on active transport**
- **Activities that improve environments for walking, cycling and safe pedestrian movement**

- **Focus on climate change and decreased carbon emissions**
- **Empowering the community to take action**
- **Environmental protection of local waterways**
- **Increased urban forest**
- **Better waste management**

- **Emphasis on green and open spaces**
- **20-minute neighbourhoods**
- **focus on local community identity**

"The plan includes measurable goals which Council can be held accountable to." - Moonee Ponds resident.

"I like the active transport plans, especially bike riding. Prioritising active transport over cars and creating child safe streets concretely delivers on Fair, Beautiful, Green, and Connected." - Moonee Ponds resident.

"I'm glad that there is a strong emphasis upon sustainability and climate change." - Ascot Vale resident.

"It appears all encompassing and well thought out. The focus on green space is promising." - Avondale Heights resident.

SUGGESTED IMPROVEMENTS WERE ABOUT:

- **Activity centres**
- **Sport and recreation facilities and infrastructure to support participation**

- **Active transport by walking and bike riding**
- **Integrated transport**
- **Public transport advocacy**
- **Traffic management**

- **Climate change targets**
- **Waste collection**
- **Community environmental programs**
- **Biodiversity**

- **Parks and public open space**
- **Landscape, amenity and activation**
- **Development and density**
