

Pattison Street Pocket Park Launch

Pocket Park Launch event

**Saturday, 5 August
9:00am**

36 Pattison Street
Moonee Ponds, 3039

A new pocket park has arrived in Pattison Street. The park has been funded by Moonee Valley City Council and the Department of Energy, Environment and Climate Action (DEECA), through the State Government Local Parks Program.

Located at the entrance of the Moonee Ponds Creek shared trail, this park provides improved access and visibility to the creek.

The park design includes the following elements:

- Custom seating wall;
- A central large feature tree and a mounded grass lawn area;
- Park furniture including a drinking fountain and bike racks;
- Picnic tables for group gatherings, with inbuilt board games; and
- Landscaping and planting.

Please join us in celebrating this new local park at our launch event, where you can enjoy a free coffee, hot chocolate and biscuits.
